## Fox Homes...

...is a family run company which has been building quality homes for the people of Bournemouth and the surrounding areas for the past 30 years. A commitment to innovation and continuous product development, coupled with the highest possible standards of design, construction, quality and customer service has earned Fox Homes its good and honourable reputation.

We believe that focusing on quality and design at each & every stage of the construction process helps us achieve this goal and to continually deliver homes of the highest possible standard. We pride ourselves on maintaining the "personal touch" and always putting our customers' needs first. We understand the importance of a professional, caring and responsive service to our customers and are always on hand to answer questions and help alleviate some of the stress that can come with buying a new home.

Every Fox Homes development, irrespective of dimension and cost, provides a quality specification which ensures that you capitalize on all the benefits a new home can offer. We believe that this attention to detail guarantees that your new home is low maintenance, energy efficient and built to the highest possible standard. We are committed to using only top-branded products with a mixture of contemporary and classical finishes. We have invested considerable time and energy in our design and customer service because we recognise that each purchaser is individual, with different lifestyles and different priorities when it comes to their home.

Satisfied customers are the key to our success! We focus on our customers' aspirations, designing homes with our customers' needs in mind.

Looking forward we aim to continue building on our good name. Making use of innovations in technology, refining our working practices and increasing the levels of marketing are essential if we are to develop and sustain a competitive advantage in this industry.

Everything we create is a reflection of our passion and commitment to provide only the best, from the carefully chosen locations to the smallest interior finish. We are totally committed to building homes to be proud of, now and in the future!
